Loimu ry's May Day Campaign runs from April 22 to May 5, 2024. Loimu Student-level membership free or charge for the rest of the year 2024 when you join Loimu between April 22 and May 5, 2024. By joining Loimu as a Student-level member during the campaign, you will also be entered into a draw to win a Polar sports watch and GoGift gift cards! New Student-level members who join during the campaign will also receive a May Day campaign-themed doughnut overall patch.

Recommendation

As a Loimu member, you can enter the draw for the watch and gift cards, and receive an overall patch, if your first name, last name, and email address are found in the recommender section of the membership form of a new Student-level member who joins during the campaign, at the time of their membership approval. There can only be one recommender per joiner. If multiple recommenders are mentioned, only the first in order will be considered. The recommender must have a valid Loimu membership.

General Campaign Rules

The campaign benefit applies to Loimu's Student-level membership (€2/month), which does not include unemployment fund membership. Students who join Loimu during the campaign will receive Student-level membership for free until the end of 2024, after which the ongoing Student-level membership will cost €2/month. The campaign benefit does not apply to Fresher or StudentPlus membership levels.

The campaign benefit is only for new full-time students joining Loimu at the Student-level membership.

For former members who have left and then rejoined during the campaign, the rejoining former member is considered a new member if at least sixty days have passed between their leaving and the start of the campaign (April 22, 2024).

Receiving an overall patch and participating in the draws from joining or recommending also requires that the joiner is a new Student-level member as described above.
